Principal scientific topics of the Conference:

- sustainable agricultural production, circular economy, taking into account environmental protection, organic farming, counteracting climate change;
- nature protection in rural areas and water ecology, water pollution and impact on biodiversity;
- water, sewage and waste management in rural areas;
- biotechnology and plant physiology of rural areas;
- rational water management in drainage facilities, low water retention
- management of natural resources including soil;
- biotechnology and plant physiology of rural areas;
- renewable energy in rural areas, including the acquisition and use of agricultural biogas and methods of managing post-fermentation residues, reducing greenhouse gas and ammonia emissions from plant and animal production;
- innovative and smart agriculture;
- technologies ensuring animal welfare, low-emission and low-energy livestock construction, reducing energy consumption and increasing production efficiency.

The basic conference fee is PLN 1400, while for participants without a presentation, chapter in a monograph, and for PhD students, we provide discounts. The fee includes the costs of reviews of the articles provided by you, editorial work, printing, sending the monograph to the address provided by the Participants and providing on-line transmission. We encourage you to prepare an article in the form of a monograph chapter (20,000 characters), for which you are entitled to 20 points of the Ministry of Education and Science.

Moreover, for all Conference participants, the *Journal of Water and Land Development* JWLD offers a 20% discount for publishing an article (www.jwld.pl). After acceptance and positive reviews, we plan to publish the selected 3 articles in the last issue of 2024, and the remaining ones in the first issue of 2025 (the order will be determined by the earlier date of sending the works to the Publishing House).

Deadlines:

Until August 12, 2024 – sending an application to the conference with an abstract

Until August 30, 2024 – payment

Until September 30, 2024 – submitting articles to the *Journal of Water and Land Development*

Until October 20, 2024 – submission of articles for the monograph.

The conference fee should be paid into account:
